### HAS RESIGNED

As Superintendent of Hopkinsville Public Schools.

There will be several changes in the personnel of the Hopkinsville Public Schools this year. In addition

PROF. J. B. TAYLOR.

to the changes in the teachers in some of the grades heretofore announced, Prof. J. B. Taylor, the superintendent, tendered his resignation yesterday morning to take effect with the close of the school year, next Friday, June 2d.

Prof. Taylor has had charge of the city schools for three years and has thoroughly shown his ability to fill this highly important position. He has given perfect satisfaction to the patrons of the school and to the board of trustees. His re-election, we learn, was assured by the board, who used every effort to dissuade him from giving up our schools, but Prof. Taylor has had in his hands for some time several flattering propositions, and in justice to himself he has decided to go elsewhere. This decision will come somewhat as a surprise to the general public, but all will unite in the wish for a most successful career for Prof. Taylor.

We cheerfully commend him as one of the most competent men in his profession, a gentleman in every sense and worthy of the confidence of all.

In conversation with members of the school board we were told that steps will at once be taken to secure another person to fill the vacancy caused by Prof. Taylor's resignation.

### WELL PLEASED

With Hopkinsville and May Locate Here.

Mr. H. A. Gardner, of Vincennes, Ind., spent Monday and Tuesday here looking around and forming the acquaintance of many of our business men. As stated in Tuesday's issue of the Kentuckian, Mr. Gardner is thinking of moving his furniture plant South. We are glad to say that he was much pleased with the way he was received here, and with some encouragement in way of our people taking stock in his enterprise will move to Hopkinsville and engage in the manufacture of folding beds and other things in the furniture line. Things like this should not be allowed to go elsewhere, for the manufacturing interests of Hopkinsville must be enlarged.

### K. OF P. ELECT OFFICERS To Serve for Ensuing Six Months.

Evergreen Lodge No. 38, Knights of Pythias, at their regular meeting Thursday night, elected the following officers to serve to Jan. 1, 1906: Ellis Roper, C. C.; J. W. Stowe, V. C.; C. W. Clark, P.; R. M. Tunks, M. of W.; W. C. Wright, K. of R. and S. and M. F.; G. H. Champlin, M. of E.; D. C. Carey, M. at A.; A. H. Towns, I. G.; W. W. Joslin, O. G. A committee was appointed, consisting of Messrs. Geo. E. Randle, G. H. Champlin, L. H. Davis, Fred C. Callard, W. D. Ennis, Ellis Roper and A. M. Coleman, to make preparations for the meeting of the Grand Lodge of Knights of Pythias in this city in October.

Six new petitions were presented for membership and after the business session was completed a social session was held and all the members

present were treated to ice cream and cake by the newly elected officers. The accompanying cut is a fair likeness of Mr. Ellis Roper, the new Chancellor Commander. Mr. Roper is very popular in lodge circles. He is also one of the most popular members of the fire department.

### GREGORY—RIGGINS.

Christian County Boy Marries Tennessee Woman.

Mr. J. Gregory, a popular young man of near Howell, and Miss Mamie Riggins, daughter of Mr. W. G. Riggins, of Montgomery county, Tenn., were married last Tuesday night at New Providence. Rev. J. A. Garrett of the Baptist church, officiated.

The couple left at once for St. Louis, where the groom has an office position with a railroad company.

### The Wrong Man.

In a recent issue this paper contained an article which stated that one Ed Whitlock, with several other men of his color, had been arrested by the Marshal of Gracey for shoot-craps and were to be tried before Judge Watkins. Whitlock was in the city yesterday and says that he never shot craps in his life, was raised in the home of Mr. Nick Salls, that he is a Sunday school man, a law-abiding citizen and that he now works with Mr. Tom Thomas. We always take pains to do the fair thing for everybody and cheerfully publish this to disabuse the minds of any of Whitlock's friends.

### The Weather.

Washington, D. C., May 26.—For Kentucky: Saturday partly cloudy, with slightly rising temperature.

Oregon has adopted the whipping post for wife-beaters. The whipping is to be done inside the jail by the sheriff or a policeman.

Congressman Brownlow says he is in earnest in his efforts to secure a new Southern state made out of eastern Kentucky and Tennessee and Western Virginia and North Carolina. It would be a dandy, with the Republicans in undisputed control. It would have to be first organized as a territory until its people were capable of self government. Cutting them loose from the states that hold them in subjection, would be the worst thing that could happen to the feudists and other lawless elements.

### Howell News.

Howell, Ky., May 26.—Mr. Jas. Winfree, who operates a saw mill near here, had his hands to strike for a less number of hours work per day, on the 24th. Mr. Winfree has some large contracts and a large job of sawing and had just got everything in running order.

Miss Gladys Massie, who visited Miss Tennie Clardy recently, left here for your city to spend several weeks and then return to her home in Texas.

Mr. Morton Embrey, who had been attending school in Bowling Green, spent several days at home and left yesterday to travel for some agency.

The recital given by the music pupils of Miss Barbara Adcock last Friday evening (19th) was highly entertaining and greatly enjoyed by the large crowd which was present.

Rev. E. H. Garrott, of Bethel College, recently visited his wife's home and preached at Olivet.

Mr. O. M. Wilson, who represents Forbes Mfg. Co. in this part of the land, is smiling and receiving congratulations over the arrival of a girl, which is called Frances Elliott.

Mrs. M. E. and E. C. Radford visited for a few days this week their sister, Mrs. Carter, near Pembroke.

### MISS ROWENA WALL

Will Give Recital In Voice In  
Nashville Tuesday  
Evening.

Miss Rowena Wall, daughter of Mr. J. T. Wall, and one of Hopkinsville's most gifted girls, who has been prosecuting her vocal studies for two or three years, will on Tuesday evening, May 30th, at French's Hall, Nashville, be presented by Miss Vesey in a "Recital In Voice."

She will be assisted by Mr. Robert Lyle, tenor; Miss Anna Knox, violinist, and Mrs. Clarence Sutherland, accompanist.

Following will be the program:  
I Dreamt.....Schira  
Invocation.....D'Harelet  
Sing Me to Sleep (with violin).....Verdi  
Absence.....Bennett  
What Pity is Akin to.....Gottschalk  
My Gift.....Speaks  
The Auld Paild Shawl.....Haynes  
Come to the Garden.....Steiner  
Awake, My Love.....Neidlinger  
Daisy-Time.....Denza

Miss Wall is a vocalist of the rarest talents and her admiring friends believe that she has before her a brilliant future in song. Of slender, graceful figure, pretty of feature, with a wealth of brown hair and soft dark eyes, she possesses many attractions besides her wonderful voice. When at home Miss Wall sings in the choir at the Baptist church and her rich, sweet and well-trained voice never fails to charm its hearers.

### GRAND SUCCESS

Is Fulton's May Carnival—  
Excellent Attractions.

The Seeman-Millican Company, will be in Hopkinsville all of next week, has been at Fulton this week and the Fulton Leader has this to say of their attractions:

"Fulton's big carnival continues to attract the people and every train into the city brings large crowds. Thousands of people have visited Fulton during the week and they come, each and every one expressing themselves as greatly pleased with Fulton and the excellent attractions of amusement presented by the Seeman-Millican Company. The many free attractions, including the great balloon ascensions, have been seen with much pleasure. In fact, the most daring feats, and the feature attractions of the carnival are free, and the performers are paid the highest salaries by the company. As a general thing when you hear of something free, it is at once put down as nothing, but not so with the free attractions of the Seeman-Millican Company.

Fulton's May Carnival is the biggest colossal aggregation of high class amusements ever presented to its people, and every one has enjoyed it to the limit. There has not been a dull day since the opening. In fact, the large crowd continues to swell and all seem to enjoy the occasion more each day."

Probably the heaviest rain for a year fell Thursday night. In the southern part of the county considerable damage was done by the washing away of bridges and fences. The smaller streams were much swollen and Little River was nearly out of its banks yesterday morning. Mr. Randle, the official weather clerk, says four inches of rain fell.

### NO DEBT ON HAND.

Six Hundred Dollars Raised  
Wednesday Night.

Wednesday was a busy one with the South Kentucky Missionary and S. S. Association. When the body met here in its 31st annual session it owed an insignificant debt, incurred by assisting small churches to pay pastors' salaries, etc. The payment of this debt was provided for before the meeting of the association Wednesday night and several liberal contributions were made during the day.

Wednesday night the audience room was filled, every seat being occupied. The association was addressed by Rev. R. H. Crossfield, of Owensboro. This was one of the most powerful and earnest addresses delivered during the meetings of the association. His plea was for mission work in southern Kentucky. At the close of his address he called upon the audience for a contribution for missionary work in Southern Kentucky, embracing thirty-four counties. The call was most liberally responded to, over \$600 being paid and pledged for the above purpose during the coming year.

Wednesday the election of officers for 1905-6 came up, which resulted as follows:

President, Dr. J. W. Crenshaw, of Cadiz; Vice Pres.; Roger L. Clark of Mayfield; 2nd Vice Pres., T. T. Roberts, of Morganfield; Recording Secretary, W. G. Eldred, Fulton; Evangelistic Corresponding Secretary, W. J. Hudspeth, Hopkinsville.

### EXECUTIVE COMMITTEE.

M. E. Webb, Trenton; H. D. Smith, Hopkinsville; R. H. Crossfield, Owensboro; J. W. Crenshaw, Cadiz; J. K. Boudurant, Paducah; Geo. C. Long, Hopkinsville; A. C. Kuykendall, Hopkinsville; W. H. Pinkerton, McCracken county; John W. Ligon, Corydon.

The sessions of the association closed Tuesday night. Rev. H. W. Elliott, of Sulphur, Ky., delivered a fine address on "The Crime of the Twentieth Century," which was heard by a large audience.

The report of the committee on resolutions was adopted and the meetings came to an end. The next annual meeting will be held at Murray, Ky.

### CRUDE OIL.

Money is made by keeping a barrel of Crude Oil on hand and using it on your hogs, and feed that you give them. It will cause your hogs to grow and prevent cholera and other diseases. If your horses have scratches, colic, flesh-cuts, or sprains, Crude Oil is the cheapest and best thing you can use. If your hen-house has mites in it saturate it with Crude Oil and you will soon be rid of them. If you have fire in a lot of 12 acres use Crude Oil and you will soon have no fleas. Fence posts saturated with it to the beneficial results its use among hogs produces, I will say that in the years of 1897-8 I fed and handled about two thousand hogs in a lot of 12 acres situated on a hill and containing a pond and spring, and when needed rush into it and shortly afterwards shed off, looking like different hogs. I never lost a solitary hog out of the whole number from any kind of disease.

Price of Oil—Per barrel \$3; or five barrels for \$12.50, f. o. b. cars. Send check with order and it will receive prompt attention.

### McCLENDON-CHILDRESS.

#### Pretty Home Wedding Near the City.

Mr. Rutus McClendon and Miss Annie Childress were united in the holy bonds of wedlock Wednesday evening at 8 o'clock at the beautiful country home of the bride's parents, Mr. and Mrs. J. G. Childress, who reside 34 miles West of Hopkinsville on the Cadiz pike. The parlor was beautifully decorated with ferns and cut flowers. The bride was beautifully attired in white Paris muslin and carried bride's roses. She is beautiful and attractive and is loved by all who have the pleasure of her acquaintance.

The groom is a son of Mr. and Mrs. J. D. McClendon, and is a prosperous young farmer. The bride's maid was Miss Nora Eva Petty, of Sedalia, Mo., who was also attired in white Paris muslin and carried a beautiful cluster of white roses. Mr. J. L. Edwards, of near Hopkinsville was best man and wore the conventional black, as also did the groom.

The wedding presents were numerous, beautiful and valuable, while the house was filled to overflowing with intimate friends and relatives of the contracting parties. Rev. H. D. Smith performed the ceremony in a beautiful and impressive manner. After the ceremony the bridal party retired to the beautiful country home of Mr. and Mrs. Dan Claggett, where a delicious lunch was served.

After June 11 Mr. and Mrs. McClendon will be at home at residence of the groom's parents near Hopkinsville.

#### INTERESTING ITEM.

#### At Head of Show Managers is This Experienced Showman.

The many years devoted exclusively to the show business by Mr. Van Amburg placed him at the very head of show managers in this country. Having accumulated a fortune in the show business while yet a young man, he saw it swept from him in the Chicago fire. With the assistance of friends who knew his ability and integrity, he had his show on the road again the next season, larger and better than ever, and to-day has the best tented show traveling. Many remember in years past visiting the great Van Amburg show, and that they always had the satisfaction of knowing they got the worth of their money. After years of successful show business, it is his aim in life to sustain his well-earned reputation by giving the public an amusement of which he is justly proud. This show will give two performances in Hopkinsville on Monday, May 29, one at 2 o'clock in the afternoon and the other at 8 o'clock in the evening. The free outdoor exhibitions given at the show grounds immediately after the grand free street parade, are worth going miles to see.

#### Tobacco Lily.

Mr. Will Hancock is the latest contributor of natural freaks to the Kentuckian. Thursday he sent us a queerly shaped tobacco "leaf." It is not a leaf, but looks like a brown lily. It has four main stems and connecting fibres for each stem. In handling a lot of tobacco Wednesday Mr. Ragsdale found a "hand" of tobacco tied with it. Of course it is nothing but a freak of nature, but nothing like it has ever been seen by tobacco men. You can see it in the front window of the Kentuckian office.

#### FOR LONGER TERM

#### Conference of Kentucky Educators Being Held in Frankfort.

Frankfort, Ky., May 24.—The conference of state educators concerning a longer school term in session here was well attended. It was addressed by Governor Beckham.

#### Mr Dodd's Recital.

Mr. George W. Dodd, of Cadiz, who spent the winter at a conservatory in New York, gave a pipe organ recital at the Ninth Street Presbyterian church Wednesday afternoon. Miss Nell Donaldson also contributed to the pleasure of the occasion by a solo. Mr. Dodd demonstrated his high culture as a musician and his thorough mastery of the organ. Mr. and Mrs. Dodd were the guests of Mr. E. B. Long while in the city.

### THE CONTEST

#### For the Most Popular Young Lady Very Uncertain.

The way in which leading favorites in the contest for naming the most popular young lady in the county are holding their own gives but little hope for those at the bottom of the list, and unless the friends of those at the bottom of the column have a lot of votes in reserve, one of the three in the lead will certainly be the winner. There is no question but that there is a big surprise to be sprung on the public before the final count is made, but whether it will help any of those in the lead are not permitted to say. Below is given the last count, made Friday afternoon:
